

English

What we do

German Courses > Deutschkurse

Intensive courses, courses once a week and German courses for mother and child «MuKi» (children aged 2,5 - 5, preparation for Kindergarten)

- Classes at various levels
- Allocation of the students according to results of entry-level test
- Publicly subsidized, therefore inexpensive fees

Early Educational Intervention Programs for Children

> Frühförderung

Various programs for the development of toddlers from birth through to Kindergarten entry

schritt:weise: the intensive home visit program for mothers with toddlers aged 1 - 4

Community Interpreting > Dolmetschen

We provide and supervise interpreters who intervene on request between interlocutors from different languages and cultural backgrounds (areas of education, social work and health).

Other Fields of Activity > Andere Angebote

femmesTISCHE: Ladies round tables in native tongue about important everyday matters for the life in Switzerland

Integration projects

Moderated senior groups in native tongue

Consulting Services > Beratung

Quick consultancy to all interested people and services in questions of migration and integration

In-depth consulting by the integration specialist office **isa Bern**

About interunido

interunido is the leading office in questions of migration and integration in the region of Langenthal und Oberaargau.
